Premium Quality & Innovation

Premium Quality

We are experts in home and furniture fittings and accessories. Our beliefs are rooted in continual innovations that ensure our customers are satisfied with quality, design, functionality and service that we offer.

Innovation

Our R&D Department is at the core of our product design and innovation process, setting new benchmark and high standards, that are the hallmark of our brand. As a result, our products not only provide joy and excitement to its users during the complete life span, but also needs least maintenance

Company Profile

We are a professional provider of hardware accessories solution with a wide range of product verticals including drawer systems, ball bearing slides, hinges, kitchen accessories, wardrobe accessories, sliding systems, space saving solutions, joinery fittings and much more.

Our products are sourced from most reliable and environmentally friendly supply chain from across the globe. This flexibility allows us to provide tailor-made solution to our customers and at same time passing on the economy of line produced end products. Our products are in line with American and European test standards such as ANSI/BHIMA, KCMA and EN and come with a lifetime warranty.

We have a team of sales professionals servicing clients in various regions delivering each customer with a tailored accessory solution.

Cervetti is a young and dynamic brand making continuous innovation to provide a premium and comprehensive furniture hardware solution and creating a greater value for all its customers.

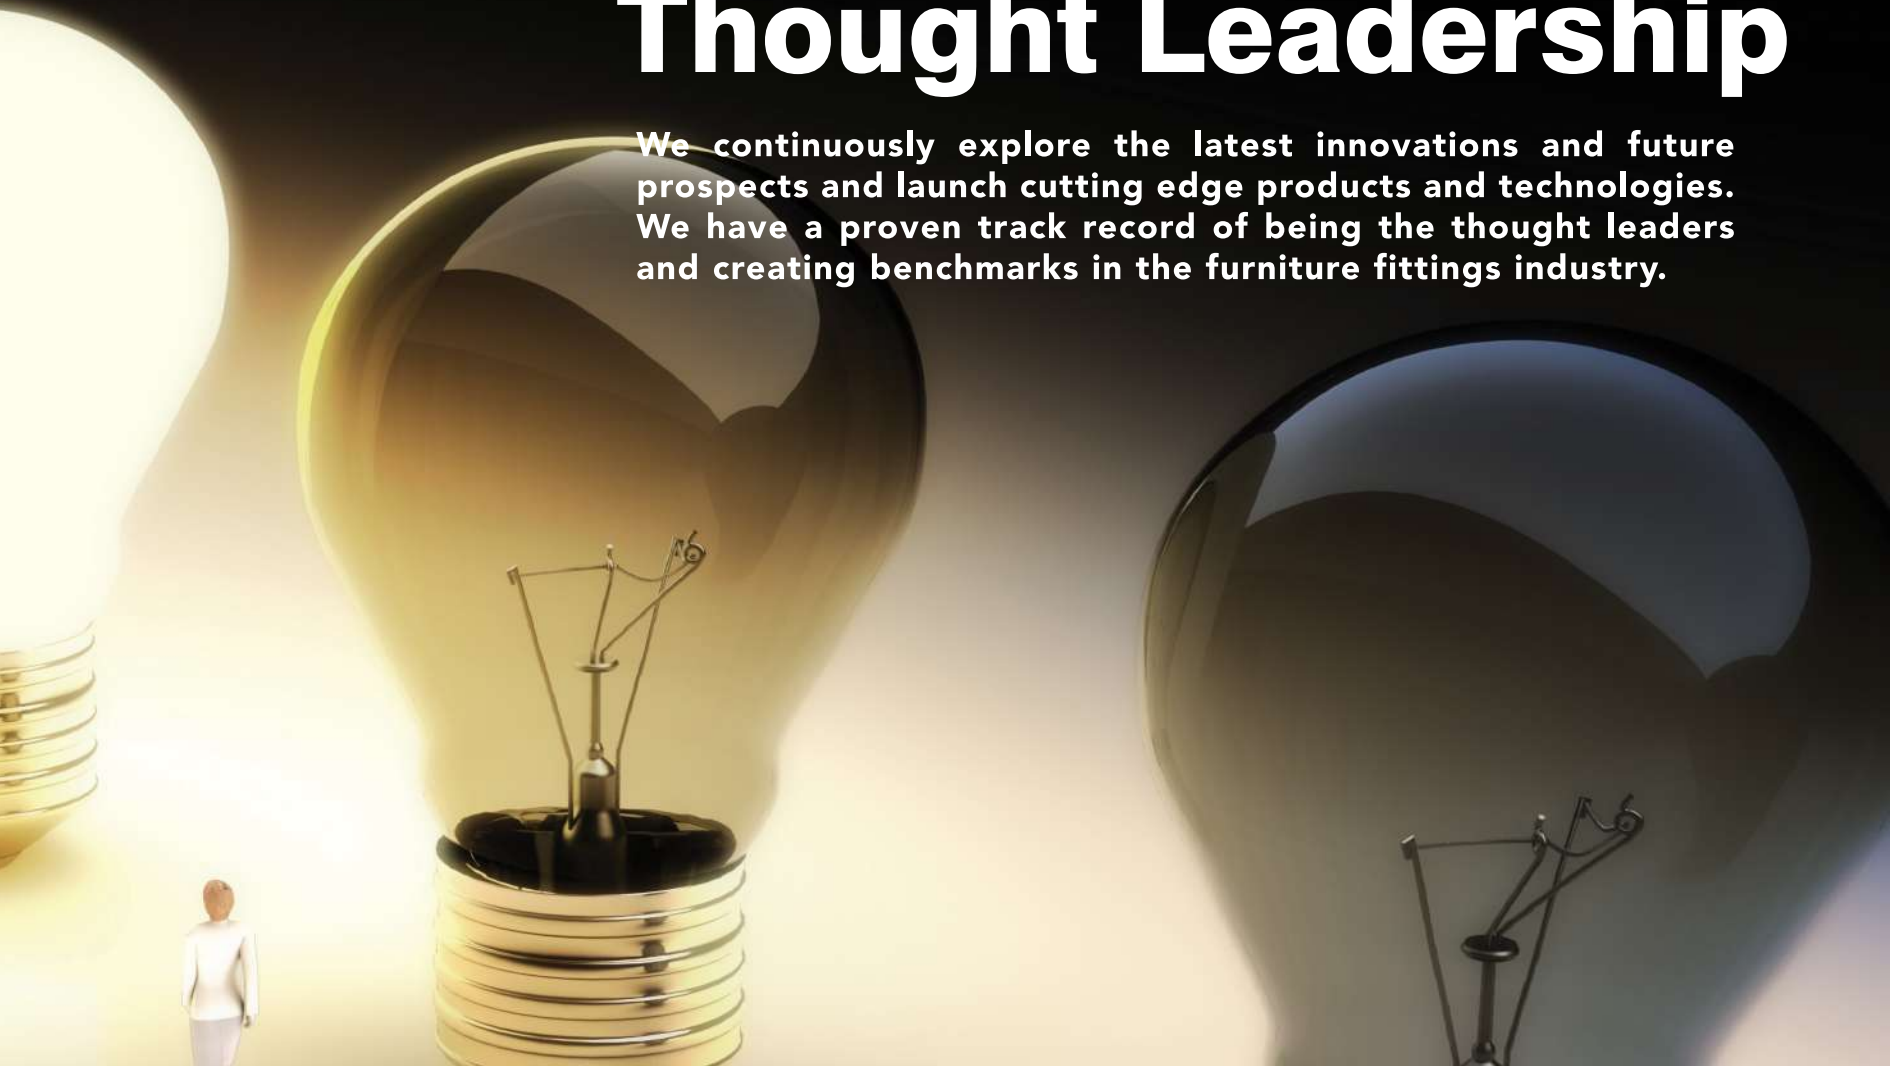

Thought Leadership

We continuously explore the latest innovations and future prospects and launch cutting edge products and technologies. We have a proven track record of being the thought leaders and creating benchmarks in the furniture fittings industry.

Solid Partnerships

The cornerstone of our strategy is long term and mutually benefitting approach for our key channel partners and customers. We believe strongly in having a dynamic partnership approach with them and creating a meaningful collaboration that can 'stand the test of time' and modern trade.

Warranty

All products are guaranteed for the entire lifetime of the furniture. We continually upgrade the products based on the feedback from customers and R&D team.

Certifications

CERVETTI is committed to providing patented products through its own development and guarantee all products fulfill international test requirement
