FLAWLESS BY DESIGN

Premium Quality &

Innovation

Premium Quality

We are experts in home and furniture fittings and accessories. Our beliefs are rooted in continual innovations that ensure our customers are satisfied with quality, design, functionality and service that we offer.

Innovation

Our R&D Department is at the core of our product design and innovation process, setting new benchmark and high standards, that are the hallmark of our brand. As a result, our products not only provide joy and excitement to its users during the complete life span, but also needs least maintenance

25 years
experience

10 years
warranty

Company Profile

We are a professional provider of hardware accessories solution with a wide range of product verticals including drawer systems, ball bearing slides, hinges, kitchen accessories, wardrobe accessories, sliding systems, space saving solutions, joinery fittings and much more.

Our products are sourced from most reliable and environmentally friendly supply chain from across the globe. This flexibility allows us to provide tailor-made solution to our customers and at same time passing on the economy of line produced end products. Our products are in line with American and European test standards such as ANSI/BHIMA, KCMA and EN and come with a lifetime warranty.

We have a team of sales professionals servicing clients in various regions delivering each customer with a tailored accessory solution.

Cervetti is a young and dynamic brand making continuous innovation to provide a premium and comprehensive furniture hardware solution and creating a greater value for all its customers.

Warranty

All products are guaranteed for the entire lifetime of the furniture. We continually upgrade the products based on the feedback from customers and R&D team.

Certifications

CERVETTI is committed to providing patented products through its own development and guarantee all products fulfill international test requirement

- Conosci meglio la versione più moderna e classica del design da oltre 100 anni, un'idea che si è evoluta nel tempo.
- The refined looking, design and modern features make it a stylish and sophisticated choice.
- The wide mixing between it is suitable for modern and classic as well as for more formal.

CTP SLIDING MECHANISM			
	CTP 11	Sliding mechanism with soft close 1 Fixed + 1 Moving doors	RS. 9950.00
	CTP 12	Sliding mechanism with soft close 1 Fixed + 2 Moving doors	RS.32000.00
	CTP 13	Sliding mechanism with soft close 1 Fixed + 3 Moving doors	RS.34000.00
	CTP 14	Sliding mechanism with soft close 2 Fixed + 2 Moving doors	RS.24800.00
DOOR SIDE FRAME			
	CVT 322 BM	Side Frame	RS.4500.00
	CVT 322 BG	Side Frame	RS.4500.00
	CVT 322 RG	Side Frame	RS.4500.00
FRAME FOR SWING DOOR			
	CVT 323 BM	Frame For Swing Door	RS.8000.00
	CVT 323 BG	Frame Swing Door Use	RS.8000.00
	CVT 323 RG	Frame Swing Door Use	RS.8000.00
ENCLOSE CORNER 45 X 45			
	CVT 314 BM	Enclose Corner 45 X 45	RS.8800.00
	CVT 314 BG	Enclose Corner 45 X 45	RS.8800.00
	CVT 314 RG	Enclose Corner45 X 45	RS.8800.00

PRODUCT		PRODUCT CODE	PRODUCT FINISH	MRP
DOOR CLOSER				
		CVT 317 BM	Door Closer	RS.8800.00
		CVT 317 BG	Door Closer	RS.8800.00
		CVT 317 RG	Door Closer	RS.8800.00
CONSEAL HINGE				
		CVT 324 BM	Conseal hinge	RS.5400.00
		CVT 324 BG		RS.5400.00
		CVT 324 RG		RS.5400.00
FRAMELESS GLASS HINGE				
		CVT 325 BM	Frameless Glass Hinges	RS.4620.00
		CVT 325 BG	Frameless Glass Hinges	RS.4620.00
		CVT 325 RG	Frameless Glass Hinges	RS.4620.00
MAGNETIC MORTISE HANDLE				
		CVT 304 BM	Magnetic Mortise Handle Without Key	RS.7000.00

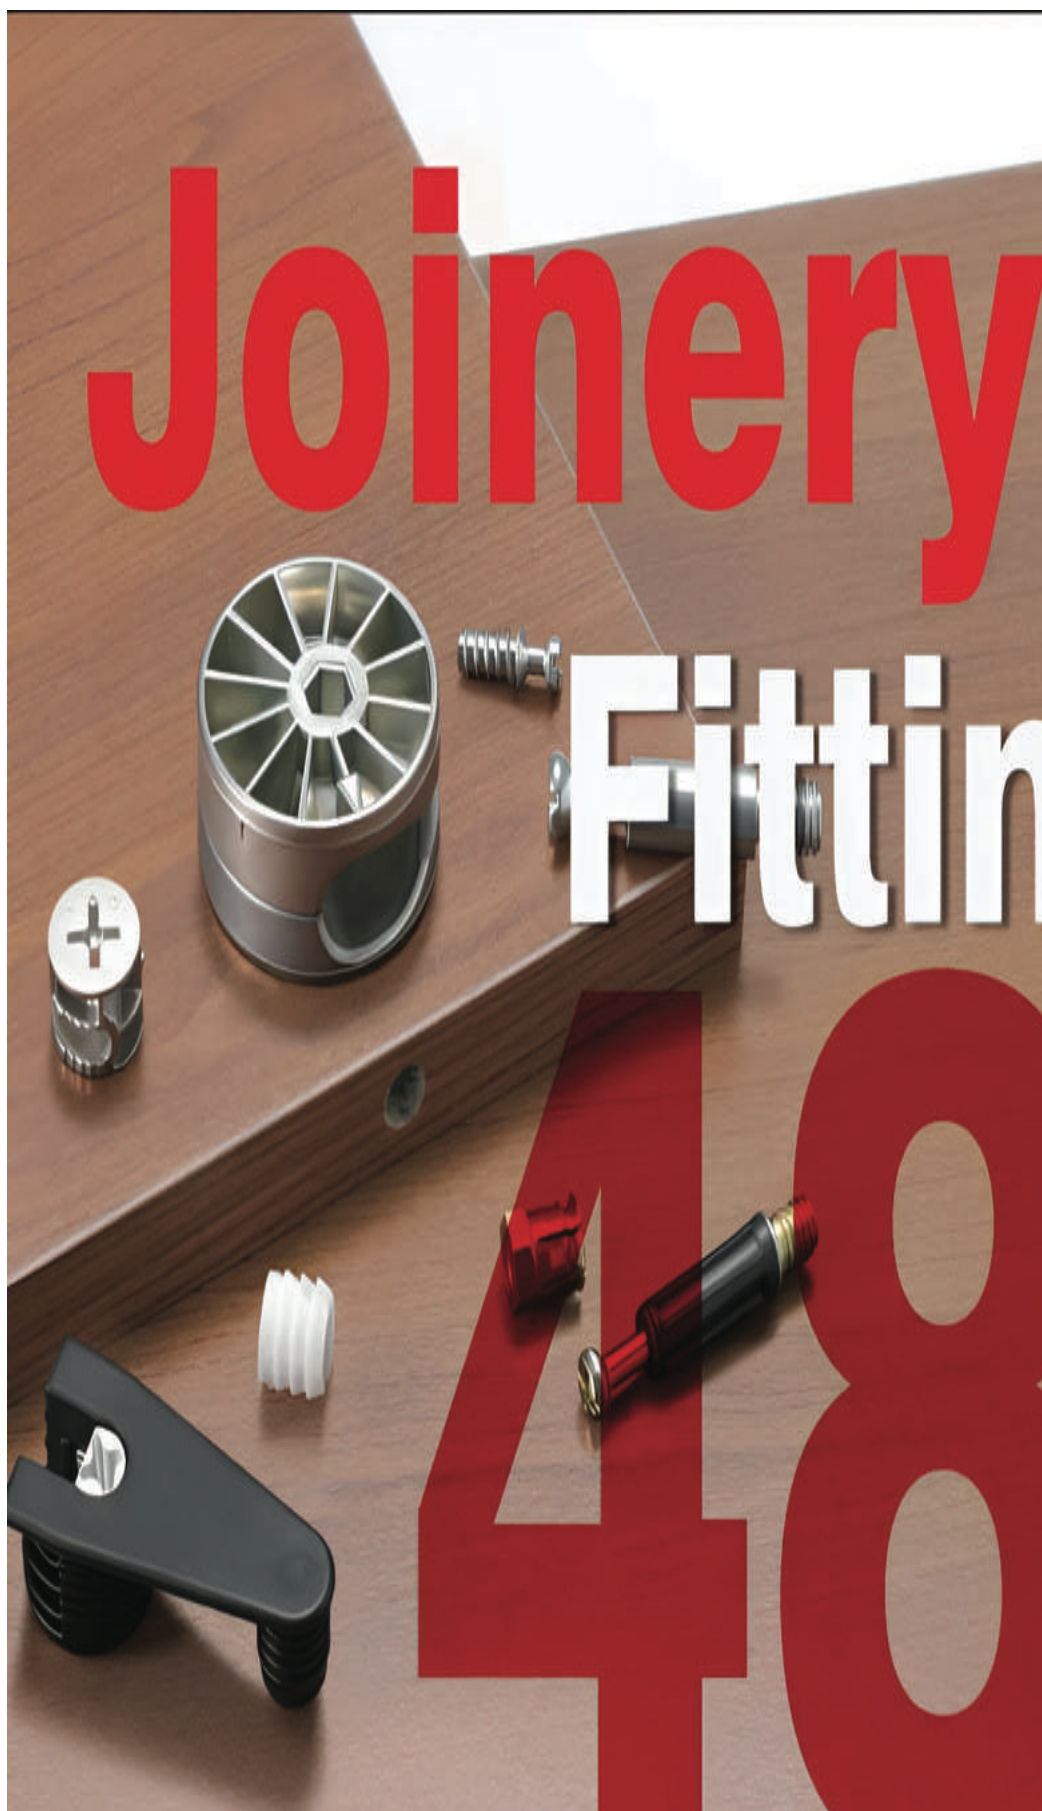

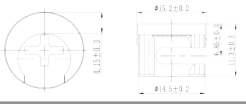

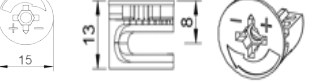

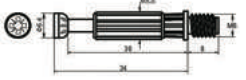

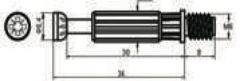

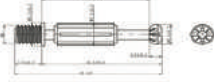

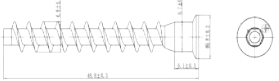

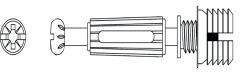

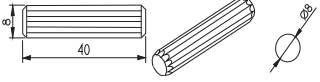

Joinery

Fittings

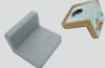

483

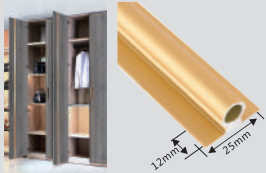

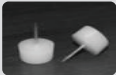

- No booming between furniture components owing to the multiple teeth.
- Easy security: exterior and multiple interior teeth.
- Secure construction designed for rough transportation.
